3600W Ultrasonic Metal Welding Machine

3600W Ultrasonic metal welding machine

- Item No.:TOB-CX-20DA
- Order(Moq):1set
- Payment:L/C,T/T,Western Union, Paypal
- Product Origin:China
- Shipping Port:XIAMEN
- Lead Time:15days

Product Detail

3600W Ultrasonic metal welding machine

SPECIFICATIONS

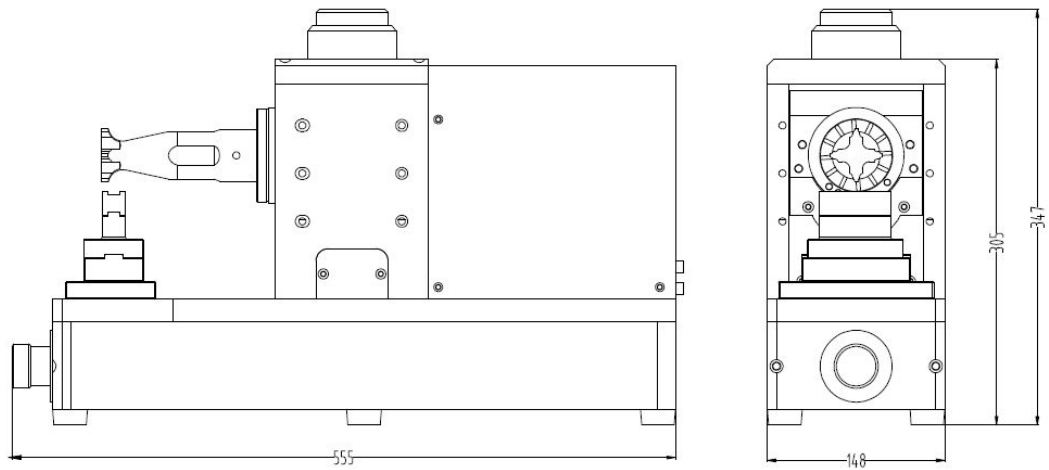

Device description:

- 1.Has a generator with frequency automatic tracking technology, high quality transducers, highly wear-resistant welding head.
- 2.Equipment is number position model, pressure, amplitude, welding time etc.parameters use all-digital set and regulation;
- 3.The use of energy, time, highly welding control mode;
- 4.Welding energy real time data acquisition, digital display, builtin electronic scale, highly accurate measurement of welding height.
- 5.All these operations are done on the touch screen.
6. Equipment operation accurate, stable and process control is very simple.

Device parameters and configuration:

Weight	45KG
Case size	480x600x180mm
Rack Dimensions	150x560x350mm
Power	220 V (single-phase)
Air supply requirements	$\geq 5.0 \text{kgf / cm}^2$
Operating frequency	20KHZ (automatic tracking, without adjustment)
Nominal power	3600W (actual power capacity 4.5KW); maximum pressure: 3000N
<p>Other: 1,5.7 inch touch screen all digital control (including energy, altitude,time of three control modes; pneumatic NC;100 kinds of parameters are stored call is very convenient.);</p> <p>2,Multiple protection functions (over current, frequency protection),boot automatic detection; 3,Digital stepless amplitude modulation (20~40μm half wave amplitude is continuously adjustable to adapt to a variety of materials and specifications).</p>	

PRODUCT DISPLAY

PACKAGE AND SHIPPING

1 Standard exported package : Internal anticollision protection, external export wooden box package

2 Shipping by express, by air, by sea according to customer's requirements to suggest the most suitable shipping mode

3 Responsible for the damage during shipping process, change the damage part for free

4 Supply with suitable voltage input and power plug according to customer's country requirements.

5 Supply with CO, ECO, FORM A, FORM E and any other original certificate for import custom clearance and tax relief.

SERVICES

1 We supply machines with battery technology support.

2 We can also supply a full set of materials for lithium battery including polymer battery, cylinder battery, mobile phone battery, EV battery.

3 We can also supply a full set of lithium battery equipment for lab research, pilot scale research and production line.

4 We can also supply a full set of battery technology for battery design, research and producing.
