Compact AC, AC/DC Autoranging Clamp Meter

The DT-350 series clamp meters offer all the features you need to fit the way you work. The small bodies and jaws fit perfectly in your hand and into tight places. Meter controls are positioned so that current

measurements can be done with one hand. A large backlit display (on most models) is easy to see and a handy Display Hold keeps measurements on the display. Measuring starting current for motors, lighting, etc. It is easy with the inrush current function (on most models).

- Double molded plastic housing
- Auto Power Off
